RE: **PETITION NO. 1229** – Bloom Energy Corporation, as an agent for Ikea, petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, operation and maintenance of a Customer-Side 250-Kilowatt Fuel Cell Facility to be located at the Ikea store, 450 Sargent Drive, New Haven, Connecticut.

Dear Mr. Mueller:

The Connecticut Siting Council (Council) received the petition for the above-referenced facility on April 28, 2016.

According to Section 16-50j-39a of the Regulations of Connecticut State Agencies, “no declaratory ruling shall be issued to any person until a complete petition containing all information relevant by the Council has been filed.”

Staff has reviewed this petition for completeness and has identified a deficiency in notice to State Representative Juan R. Candelaria – House District 95 and State Representative Louis P. Esposito Jr. – House District 116. Pursuant to Section 16-50j-40 of the Regulations of Connecticut State Agencies, “Prior to submitting a petition for a declaratory ruling to the Council, the petitioner shall, where applicable, provide notice to each person other than the petitioner appearing as record as an owner of property which abuts the proposed primary or alternative sites of the proposed facility, each person appearing of record as an owner of the property or properties on which the primary or alternative proposed facility is to be located, and the appropriate municipal officials and government agencies. Proof of such notice shall be submitted with the petition for declaratory ruling.”

Therefore, the petition is incomplete at this time. The Council recommends that the petitioner provide proof of service of a copy of the petition for a declaratory ruling on State Representative Juan Candelaria and State Representative Louis P. Esposito Jr. – House District 116 on or before May 9, 2016.

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.
