RE: **PETITION NO. 1232** - Cellco Partnership d/b/a Verizon Wireless declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed modification of an existing telecommunications facility located at 167 Cocomo Circle (a/k/a Lester Street), New Britain, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated August 4, 2016 regarding minor plan modifications to the above referenced declaratory ruling. The requested modifications include the installation of a standalone equipment shelter adjacent to but not attached to the existing Cellco equipment shelter and the installation of a 100 kW emergency backup generator on an existing concrete pad between the two shelters rather than within an extended shelter. Council staff hereby approves the minor modifications as requested.

This approval applies only to the minor modification requested on August 4, 2016.

Thank you for your attention and cooperation.

Very truly yours,

Melanie A. Bachman  
Acting Executive Director
