Re: **Petition No. 1118 – Petition of Cellco Partnership d/b/a Verizon Wireless for a Declaratory Ruling on the Need to Obtain a Siting Council Certificate to Install a Roof-Top Telecommunications Facility Tower at 1 Selleck Street, Norwalk, Connecticut**

Dear Ms. Bachman:

Pursuant to our recent conversations, I am writing to notify you that Cellco Partnership d/b/a Verizon Wireless (“Cellco”) would like to withdraw the above-referenced petition. We have recently met with municipal officials regarding the proposed Selleck Street facility and plan to move forward with a roof-top facility that does not involve the installation of a tower mast. The roof-top facility discussed complies with the Norwalk Zoning Regulations and is more acceptable (aesthetically) to municipal officials. Attached is a copy of a letter that I intend to send to the abutting property owners.

I apologize for any inconvenience this may cause. As always, thank you for your assistance and cooperation.

Sincerely,

Kenneth C. Baldwin

KCB/kmd

Re: **Petition No. 1118 – Petition of Cellco Partnership d/b/a Verizon Wireless for a Declaratory Ruling on the Need to Obtain a Siting Council Certificate to Install a Roof-Top Telecommunications Facility Tower at 1 Selleck Street, Norwalk, Connecticut**

Dear «Salutation»:

This letter serves as notice that on October 28, 2014, Cellco Partnership d/b/a Verizon Wireless (“Cellco”) withdrew its Petition for Declaratory Ruling with the Connecticut Siting Council for the proposed a roof-top telecommunications tower at 1 Selleck Street in Norwalk. Cellco intends to move forward with a roof-top telecommunications facility at this site but the modified installation will not include a roof-top tower. Cellco will utilize the existing elevator penthouse for the mounting of its antennas. A copy of the revised project plans are included for your information. The proposed alternative development proposal complies with the Norwalk Zoning Regulations.

Please feel free to contact me if you have any questions.

Sincerely,

Kenneth C. Baldwin
