PETITION 1120
UNITED ILLUMINATING COMPANY-HAWTHORNE SUBSTATION
PETITION INTERROGATORIES – SECOND SET
DIRECTED AT THE UNITED ILLUMINATING COMPANY

1. Is United Illuminating Company (“UI”) designing a lighting system which eliminates light trespass on adjoining properties?

RESPONSE:

2. If the answer to question 1. is in the affirmative, will UI conduct a before/after survey regarding light trespass?

RESPONSE:

3. Please describe the engineering rationale for the height, location and number of lightning arrestor poles.

RESPONSE:

4. Can additional trees, plantings or screening be provided for east and west side areas along driveway? Also, please state accurate number of trees to be removed as it appears a discrepancy between aerial photos and proposed site plan.

RESPONSE:

5. Does the site disturbance plan provide detention or stormwater recharge?
With approximately 5000 sf of impervious surface, Will UI provide detention and natural recharge as per Engineering Dept. standards and EPA/DEEP phase 2 requirements?

RESPONSE:

6. What will be the surface of the proposed expansion? Will it be crushed stone, asphalt, concrete or earth materials? Please show materials on site plan.

RESPONSE:
