Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 7, 2016, submitted on behalf of Cellco, requesting an extension of time to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

The Council hereby grants a one-year extension of time until August 17, 2017, to submit a notice of completion of construction and compliance with site-specific conditions, if applicable, for the above-referenced sub-petition.

This extension is granted with the understanding that the Council will be notified should Cellco need additional time to submit a notice of completion and compliance with site-specific conditions, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Re: **PE1133-VER-20150626 – Celco Partnership d/b/a Verizon Wireless  
50 Clinton Avenue, Norwich, Connecticut**

Dear Ms. Bachman:

On August 17, 2015, the Siting Council approved Celco's request to install antennas and associated equipment at an existing wireless base station at 50 Clinton Avenue in Norwich, Connecticut. Celco has not yet completed the approved facility modifications. We are, therefore, requesting an extension of the Council's approval for one (1) year to August 17, 2017.

If you have any questions please do not hesitate to contact me. Thank you in advance for your cooperation.

Sincerely,

Kenneth C. Baldwin
