HEARING NOTICE

Pursuant to provisions of General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Tuesday, October 24, 2006, beginning at 3:00 p.m., and continued at 7:00 p.m., at the Trumbull Town Hall, the Court Room, 2nd floor, 5866 Main Street, Trumbull, Connecticut; a continuation is contemplated for Thursday, October 26, 2006 at Hearing Room One, Ten Franklin Square, New Britain, Connecticut, beginning at 10:00 a.m.

The hearing will be on The United Illuminating Company application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a proposed 115-kV/13.8-kV electric substation and associated facilities located at 3-7 Wildflower Lane, Trumbull, Connecticut.

The purpose of the hearing is to hear evidence on the applicant's contentions that the public need for the facility outweighs any adverse environmental effects that would result from the construction, operation, or maintenance of the 115-kV/13.8-kV electric substation and associated facilities. The 3:00 p.m. hearing session will provide the applicant, parties, and intervenors an opportunity to cross-examine positions. The applicant will be allowed a final rebuttal. Briefs will be entertained after the close of the last hearing session. The 7:00 p.m. hearing session will be reserved for the public to make brief statements into the record. Cross-examination of parties and intervenors will resume, if necessary, after all statements have been heard.

The Council will conduct a public field review of the proposed site (Site 1) on Tuesday, October 24, 2006 beginning at 1:00 p.m. at 3-7 Wildflower Lane, Trumbull and continuing to Site 6 (not proposed by the applicant) located at the end of Quail Trail, Trumbull.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1 through 16-50v-1a of the Regulations of Connecticut State Agencies.

The Council directs that all testimony and exhibits be pre-filed with the Council and all parties and intervenors by October 19, 2006. In accordance with the State Solid Waste Management Plan, the Council requests that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

Individuals are encouraged to participate through their elected officials, and other party/intervenor groupings.
