RE: Sprint Nextel Corporation's Application for a Certificate / East Haven

Dear Chairman Caruso:

Enclosed for filing are an original and twenty-five copies of Sprint Nextel Corporation's application for a certificate of environmental compatibility and public need for the construction of a telecommunications facility in East Haven, Connecticut (the "Application"). Enclosed for bulk filing are four full-size copies of the site plan and four copies of the Town of East Haven's Zoning Regulations.

A check in the amount of \$1,000.00 accompanies this letter representing the filing fee for the Application.

A copy of the Application has been served on the parties required by Conn. Gen. Stat. § 16-50l(b) (see Tab 5 of the Application). If any of those parties would like the site staked out prior to the site walk on the date of the public hearing, I will be pleased to make the appropriate arrangements.

Very truly yours,

BROWN RUDNICK BERLACK ISRAELS LLP
