RE: Docket No. 335 – MetroCast Communications of Connecticut, LLC application for a Certificate of Environmental Compatibility and Public Need for the Expansion of its Existing CATV Headend facility located at 689 Old Colchester Road, Uncasville-Montville, Connecticut.

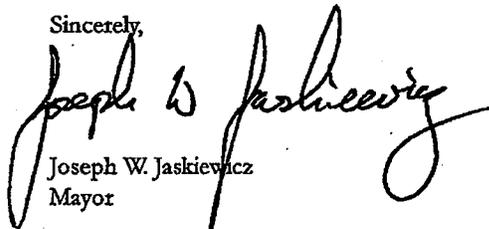

Dear Mr. Phelps:

Please consider this missive as my letter of support for MetroCast Communication's plan for an expansion at its facility located at 689 Old Colchester Road in Montville, before the Siting Council as Docket No. 335.

I met with MetroCast representatives on March 29, 2007 to review this proposal. This expansion will enable them to provide enhanced service to Montville residents. I am comfortable with this plan and approve of this venture.

Thank you for your time. Please let me know if there is a need for additional information or correspondence from the Town of Montville.

Sincerely,

Joseph W. Jaskiewicz
Mayor
