Re: Application of MetroCast Communications of Connecticut, LLC for
Certificate of Environmental Compatibility and Public Need for Expansion
of a CATV Headend Facility in Montville, CT

Dear Mr. Phelps:

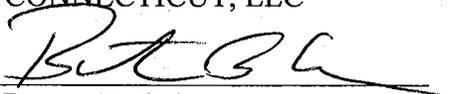

Pursuant to Sections 16-50k, et seq., of the Connecticut General Statutes, enclosed is an Application for Certificate of Environmental Compatibility and Public Need submitted by MetroCast Communications of Connecticut, LLC (the "Company") for expansion of its CATV headend facility in Montville, Connecticut. Please note that the site has served as a CATV tower and headend facility since 1972. Inasmuch as the proposed modifications to the site are consistent with longstanding use of the property, the Company respectfully requests that the Council grant this Application as soon as possible.

Enclosed please find an original and twenty five (25) copies of this application and an application fee in the amount of \$1,000.00.

Please do not hesitate to contact the undersigned if you have any questions or need additional information. Thank you for your consideration.

Respectfully yours,

METROCAST COMMUNICATIONS
OF CONNECTICUT, LLC
