Re: MetroCast Communications of Connecticut, LLC
Expansion of Head-End Facilities

Dear Mr. Wojciechowski:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting to the Connecticut Siting Council ("Council") on or about April 13, 2007 an Application for a Certificate of Environmental Compatibility and Public Need to Modify a Grandfathered CATV Head-End Facility. The purpose of this application is to make improvements to and expand MetroCast's existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut, by adding nine new satellite earth station receivers and providing the Council with jurisdiction over the already existing tower located at the site.

The improvements described in this application do not involve the construction of new tower facilities.

As an abutting property owner to the location of the proposed head-end expansion, you are entitled to notice of our application to the Council. This letter serves as notice of our application to the Council as required by the statutes and regulations of the State of Connecticut.

Interested parties may review the application, after it is submitted, during normal business hours at the office of the undersigned or at the following offices:

Expansion of Head-End Facilities

Dear Mr. and Mrs. Church:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting to the Connecticut Siting Council ("Council") on or about April 13, 2007 an Application for a Certificate of Environmental Compatibility and Public Need to Modify a Grandfathered CATV Head-End Facility. The purpose of this application is to make improvements to and expand MetroCast's existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut, by adding nine new satellite earth station receivers and providing the Council with jurisdiction over the already existing tower located at the site.

The improvements described in this application do not involve the construction of new tower facilities.

As an abutting property owner to the location of the proposed head-end expansion, you are entitled to notice of our application to the Council. This letter serves as notice of our application to the Council as required by the statutes and regulations of the State of Connecticut.

Interested parties may review the application, after it is submitted, during normal business hours at the office of the undersigned or at the following offices:

Re: MetroCast Communications of Connecticut, LLC
Expansion of Head-End Facilities

Dear Mr. Jenkins:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting to the Connecticut Siting Council ("Council") on or about April 13, 2007 an Application for a Certificate of Environmental Compatibility and Public Need to Modify a Grandfathered CATV Head-End Facility. The purpose of this application is to make improvements to and expand MetroCast's existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut, by adding nine new satellite earth station receivers and providing the Council with jurisdiction over the already existing tower located at the site.

The improvements described in this application do not involve the construction of new tower facilities.

As an abutting property owner to the location of the proposed head-end expansion, you are entitled to notice of our application to the Council. This letter serves as notice of our application to the Council as required by the statutes and regulations of the State of Connecticut.

Interested parties may review the application, after it is submitted, during normal business hours at the office of the undersigned or at the following offices:

RE: 696 Old Colchester Road, Uncasville, CT 06382

Dear Mr. and Mrs. Mazzei:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting to the Connecticut Siting Council ("Council") on or about April 13, 2007 an Application for a Certificate of Environmental Compatibility and Public Need to Modify a Grandfathered CATV Head-End Facility. The purpose of this application is to make improvements to and expand MetroCast's existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut, by adding nine new satellite earth station receivers and providing the Council with jurisdiction over the already existing tower located at the site.

The improvements described in this application do not involve the construction of new tower facilities.

As an abutting property owner to the location of the proposed head-end expansion, you are entitled to notice of our application to the Council. This letter serves as notice of our application to the Council as required by the statutes and regulations of the State of Connecticut.

Interested parties may review the application, after it is submitted, during normal business hours at the office of the undersigned or at the following offices:

Dear Mr. and Mrs. Poudrier:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting to the Connecticut Siting Council ("Council") on or about April 13, 2007 an Application for a Certificate of Environmental Compatibility and Public Need to Modify a Grandfathered CATV Head-End Facility. The purpose of this application is to make improvements to and expand MetroCast's existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut, by adding nine new satellite earth station receivers and providing the Council with jurisdiction over the already existing tower located at the site.

The improvements described in this application do not involve the construction of new tower facilities.

As an abutting property owner to the location of the proposed head-end expansion, you are entitled to notice of our application to the Council. This letter serves as notice of our application to the Council as required by the statutes and regulations of the State of Connecticut.

Interested parties may review the application, after it is submitted, during normal business hours at the office of the undersigned or at the following offices:
