Re: 689 Old Colchester Road, Uncasville-Montville, Connecticut

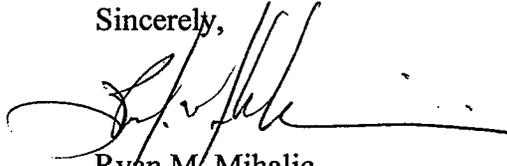

Dear Mr. Loether:

MetroCast Communications of Connecticut, LLC ("MetroCast") is submitting an application to the Connecticut Siting Council (the "Council") to expand its existing head-end facilities located at 689 Old Colchester Road, Uncasville-Montville, Connecticut by installing nine satellite earth station receivers. As part of the application process, MetroCast must notify and receive responses from various state agencies and offices of which the Historical Commission is one.

I write to you requesting a written response from your office as to whether the 689 Colchester Road, Uncasville-Montville, Connecticut site has any historic/scenic preservation significance. For your reference, I enclose a copy of MetroCast's site plan for 689 Colchester Road, Uncasville-Montville, Connecticut. This project does not involve a tower facility.

Please respond in writing by April 11, 2007. Your anticipated cooperation is greatly appreciated. Please call me at 860.240.6114 if you have any questions.

Sincerely,

Ryan M. Mihalic
Attorney for MetroCast Communications of
Connecticut, LLC
