RE: Notice to Abutting Landowners

Dear Mr. & Ms. Hite:

On or about January 10, 2007, Sprint Nextel Corporation ("Sprint") intends to file an application for a certificate of environmental compatibility and public need with the Connecticut Siting Council for the construction, maintenance and operation of an 80-foot telecommunications facility on property owned by One-Sixty West Street, LLC at 160 West Street in Cromwell, Connecticut (Parcel ID No. 00033900). Sprint intends to build the facility to look like a flagpole, with its antennas mounted on the inside of the pole instead of the outside.

Pursuant to Connecticut General Statutes §16-50l(b), you are being given notice of the filing of this application because you own property abutting 160 West Street. I have enclosed a copy of the public notice that will be published in *The Middletown Press* on Tuesday, December 26, 2006 and Wednesday January 3, 2007 and in the *Hartford Courant* on Wednesday, December 27, 2006 and Thursday, January 4, 2007. A copy of Sprint's application will be on file at the Cromwell Town Hall (41 West Street, Cromwell) and the Connecticut Siting Council (10 Franklin Square, New Britain) for your review. In addition, once the application has been filed with the Council, you will be able to track the progress of the application on the Connecticut Siting Council's website (www.ct.gov/csc).

If you have any questions, please contact me at (860) 509-6522.

Very truly yours,

BROWN RUDNICK BERLACK ISRAELS LLP

TELECOMMUNICATION FACILITY NOTICE

Pursuant to Section 16-50(b) of the General Statutes of Connecticut and Section 16-50-1(e) of the Regulations of Connecticut State Agencies, notice is hereby given that on or about January 10, 2007, Sprint Nextel Corporation (“Sprint”) will file an application with the Connecticut Siting Council (“Siting Council”). The application will request a certificate of environmental compatibility and public need for the construction, maintenance and operation of a telecommunication facility in Cromwell, Connecticut (the “Application”). The location under consideration is owned by One-Sixty West Street, LLC and is located at 160 West Street (Parcel ID No. 00033900). The facility will have an 80-foot monopole disguised as a flagpole with telecommunications equipment at its base. The Application will explain the need, purpose and benefits of the facility and will also describe the environmental impacts of the facility.

After Sprint files the Application, the Siting Council will set a date to hold a public hearing in the community. The Siting Council will publish notice of the public hearing in the local newspaper and Sprint will post a sign at the site with the details of the public hearing. On the day of the public hearing Sprint will fly a balloon at the site, weather permitting, so the public can ascertain the visibility of the facility.

Once the Application is filed, the progress of the Application can be followed on the Siting Council’s website at www.ct.gov/csc. Questions may be directed to: Thomas J. Regan, Esq. at Brown Rudnick Berlack Israels LLP, CityPlace I, 185 Asylum Street, Hartford, Connecticut 06103, telephone 860.509.6500 or the Connecticut Siting Council, 10 Franklin Square, New Britain, CT 06051, telephone 860.827.2935.
