## Resolution

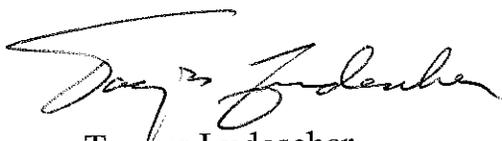

### Objecting to Placement of Cell Tower near historic Hilliard Mill

In support of efforts to prevent construction of a cell tower in the vicinity of the historic former woolen mill buildings on Hilliard St., the Board of Directors of the Manchester Historical Society at a meeting on July 23, 2007, at which a quorum was present, adopted the following resolution:

***Resolved: The Manchester Historical Society objects to the placement of a cell tower in proximity to the historic Hilliard Mill complex.***

This resolution was approved by a unanimous vote of the Board of Directors.
