

## LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50l(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council ("Council") on or about June 8, 2007, by Cellco Partnership d/b/a Verizon Wireless ("Cellco" or the "Applicant"). The Application proposes the installation of a wireless telecommunications facility in the Town of Ashford, Connecticut. The installation would consist of a 100' x 100' leased area within a 1.96 acre parcel at 174 Ashford Center Road. At this site, Cellco proposes to construct a 120-foot monopole tower. Access to the site will extend through the existing gravel parking lot at the Midway Restaurant, then over a new gravel driveway extension to the cell site. Cellco will also install a new 12' x 30' shelter located near the base of the tower to house its radio equipment and an emergency back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day selected for the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower described above, between the hours of 8:00 a.m. and 5:00 p.m. Interested parties and residents of the Town of Ashford are invited to review the Application during normal business hours at any of the following offices:
