**Re: MCF Communications bg, Inc. and Cellco Partnership d/b/a Verizon
Wireless - Proposed Telecommunications Facility
Sterling, Connecticut**

Dear «Salutation»:

MCF Communications bg, Inc. ("MCF") and Cellco Partnership d/b/a Verizon Wireless ("Cellco") (collectively the "Applicant") will be submitting an application to the Connecticut Siting Council ("Council") on or about August 24, 2007, for approval of the construction of a telecommunications facility off Exeter Road in the Town of Sterling, Connecticut.

The proposed location would consist of a new 140-foot, self-supporting monopole telecommunications tower with antennas at the 137-foot level and a 12' x 30' equipment shelter located on a 10.83 acre parcel. The parcel is owned by the Town of Sterling. An on-site backup generator would also be installed inside Cellco's shelter. The tower would be designed to accommodate multiple carriers.

The location and other features of the proposed facility are subject to change under the provisions of Connecticut General Statutes § 16-50g et seq.

State law provides that owners of record of property which abuts a parcel on which the proposed facility may be located must receive notice of the submission of this application. This notice is directed to you either because you may be an abutting land owner or as a courtesy notice.

If you have any questions concerning the application, please direct them to either the Connecticut Siting Council or me. My address and telephone number are
