Re: Docket No. 370A: CL&P Application for the Greater Springfield Reliability Project and the Manchester to Meekville Jct. Circuit Separation Project

Docket No. 370B: NRG Energy, Inc. Application Pursuant to C. G.S. § 16-50I(a)(3) for Consideration for a 530 MW Combined Cycle Generation Plant in Meriden, CT

Dear Mr. Phelps,

In accordance with the Council's order of October 22, 2009, and the Protective Order distributed to the docket participants on October 30, 2009, CL&P files herewith the data responsive to NRG's Motion to Compel Production of Price Data dated August 25, 2009.

In accordance with the Protective Order, CL&P is filing one copy of the documents with the legend and labeling required by the Protective Order.

The order does not specifically state to whom the signed Non-Disclosure Agreements are to be tendered in order for a docket participant to obtain access to the materials on file.

I suggest that the docket participant provide the original executed Non-Disclosure Agreement to the Council staff to become part of the record of this docket, and that courtesy copies of each Non-Disclosure Agreement be provided to me (or as an alternative, served on the entire service list if that is the Council's preference).

A schedule of the data provided is attached to this letter.

Very truly yours,

  
Anthony M. Fitzgerald
