REQUEST BY NEW CINGULAR WIRELESS PCS, LLC (AT&T)

TO INTERVENE IN THIS PROCEEDING

Pursuant to Section 16-50n of the Connecticut General Statutes and Section 16-50j-15a of the Regulations of Connecticut State Agencies, New Cingular Wireless PCS, LLC ("AT&T") respectfully requests permission of the Connecticut Siting Council ("Council") to participate, as an intervenor, in the application and hearing process for the captioned application for a certificate of environmental compatibility and public need for the construction maintenance and operation of a telecommunication facility in Old Lyme, Connecticut.

AT&T is licensed by the Federal Communications Commission ("FCC") to construct and operate a wireless communications system in various areas of the United States of America including the State of Connecticut in order to provide cellular and personal communication services to the public. AT&T has an interest in the application process to aid the Council in evaluating the public interest considerations set forth in Section 16-50g and 16-50aa of the

Connecticut General Statutes. AT&T has an interest in and need for a new facility in the area to provide its services in this southern portion of the Town of Old Lyme.

The Council has admitted AT&T as an intervenor in previous dockets and AT&T proposes to participate in this application in support of the need for a new facility in this area of the State. For all the foregoing reasons, AT&T respectfully requests that it be named an intervenor in this proceeding.
