RESPONSE OF NEW CINGULAR WIRELESS PCS, LLC (“AT&T”)  
TO TOWN OF EAST LYME INTERROGATORIES TO SBA TOWER II, LLC

The Town of East Lyme issued interrogatory questions to the Applicant SBA Tower II, LLC (“SBA”) On March 1, 2010. Question 5 of those interrogatories seeks information regarding the potential use by the carriers of a parcel of land owned by the Department of Environmental Protection and identified by tax assessment records as 10.3, 14.1 (“DEP Property”). AT&T reviewed sites identified on the map included as Attachment 1 provided to AT&T by SBA. AT&T provides this response in an effort to assist in these proceedings as an intervening carrier.

Overall, the DEP Property is further away from AT&T's original search ring objective that includes in-building coverage on Black Point and all locations on the DEP Parcel would perform less than desired as compared with the SBA site which in and of itself would not fully meet these objectives. The DEP site cannot, however, be ruled out altogether and AT&T would consider option 4 on the DEP parcel at 170'.
