Re: Docket 396 SBA Towers II, LLC Application for a  
Certificate of Environmental Compatibility and Public Need  
49 Brainerd Road, Niantic (East Lyme), Connecticut

Dear Ms. Roberts:

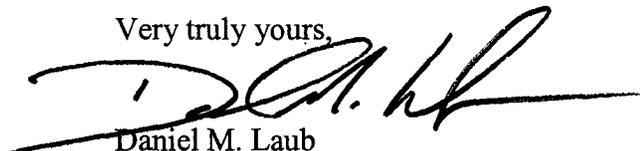

This letter is respectfully submitted on behalf of New Cingular Wireless PCS, LLC ("AT&T"), an intervenor in the captioned Docket. We are in receipt of SBA's request, dated today, to table the captioned proceeding from tomorrow's Siting Council agenda. AT&T, as an intervenor, supports this request and asks that it be granted to allow SBA additional time to the extent requested by the applicant to support their application.

We further note the following:

- AT&T is fully committed to utilizing the proposed site.
- The record reflects that off-site alternatives presented by others in this Docket were either unavailable or would not allow AT&T to provide service to its customers in its target area.
- The extensive nature and duration of this Docket warrant granting the opportunity to SBA.

Please do not hesitate to contact me if there are any questions regarding the foregoing.

Very truly yours,

Daniel M. Laub
