NOTIFICATION PURSUANT TO C.G.S. § 16-50l(e)

Pursuant to Connecticut General Statutes § 16-50l(e), attached are materials which Cellco Partnership d/b/a Verizon Wireless (“Cellco”) is required to provide to the Siting Council (“Council”) in connection with the development of a proposed wireless telecommunications facility at 343 Daleville Road in Willington, Connecticut (the “Willington Facility”). Because the Willington Facility is within 2,500 feet of the Mansfield town line, the local input process described below includes consultation and submissions to representatives of Mansfield and Willington. These materials include:

1. All materials provided to the Towns of Willington and Mansfield;
2. A summary of the consultations with the Towns of Willington and Mansfield, including any recommendations on the proposed telecommunications facility; and
3. Copies of any and all correspondence between the Applicant and the Towns of Willington and Mansfield.

A. Materials Provided to the Towns of Willington and Mansfield

- Technical Report dated December 1, 2009, prepared by Cellco. This Technical Report includes a description of the proposed wireless facility at 343 Daleville Road and the need for such facility. Copies of the Cellco Technical Report for the proposed cell site were submitted to the Council as a Bulk File Exhibit on February 5, 2010.

B. Summary of Municipal Consultations

- On December 1, 2009, Cellco representatives met with Willington's First Selectwoman Christine B. Mailhos and Susan Yorgenson, the Town's Zoning Enforcement Officer and Wetlands Agent, to discuss the proposed Daleville Road telecommunications facility and the Council's application procedures.
- On December 1, 2009, Cellco representatives also met with Mansfield's Zoning Director Greg Padick, as designee for the Town Manager, to discuss the proposed Daleville Road telecommunications facility.

C. Copies of all correspondence between the Cellco and the Towns of Willington and Mansfield

All other documents and reports, including the Cellco's Technical Report were filed with the Council on February 5, 2010.

Respectfully submitted,
CELLCO PARTNERSHIP d/b/a VERIZON
