Re: Docket 423
North Atlantic Towers, LLC and New Cingular Wireless PCS, LLC ("AT&T")
Certificate of Environmental Compatibility and Public Need
Route 198, Woodstock, Connecticut

Dear Ms. Roberts:

On behalf of North Atlantic Towers, LLC and New Cingular Wireless PCS LLC ("AT&T"), please accept for review and Council approval this Development Management Plan ("D&M Plan") filing for the captioned Facility as approved in Docket No. 423.

Tower, Compound & Other Equipment

Enclosed are fifteen (15) sets of 11"x 17" sized construction drawings and two (2) sets of full sized construction drawings being filed in accordance with the Siting Council's ("Council") Decision and Order dated June 21, 2012 ("Decision and Order"). The D&M Plan incorporates a 110' monopole, tower compound and AT&T shelter as provided for in the Council's Order No. 1 in this Docket. The D&M Plan also includes site clearing, drainage, and erosion and sedimentation control measures consistent with the 2002 Connecticut Guidelines for Soil Erosion and Sediment Control as amended. A copy of the State of Connecticut Department of Transportation District 11 approval of the drainage and erosion sediment control measures is also enclosed. The United States Army Corps of Engineers' (ACOE) determined that the project is authorized as a Category 1 activity under the Connecticut General Permit for minimal individual and cumulative impacts on waters of the United States, including wetlands. The ACOE determination is attached.

Also enclosed are a geotechnical report, tower and foundation drawings for the facility and specifications for AT&T's antennas and backup generator. Please note that the tower design calculations are being bulk filed.

Required Notifications

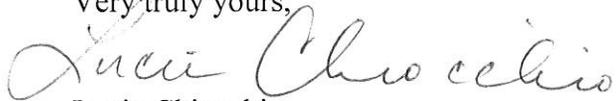

In accordance with the provisions of RCSA Section 16-50j-77, North Atlantic Towers hereby notifies the Council of its intention to begin site work immediately after Council approval of the D&M Plan. Construction of the tower and other site improvements will commence upon issuance of a local building permit. The supervisor for all construction related matters on this project is Kory Fretto. Mr. Fretto is located at Infinigy Engineering, PLLC, 11 Herbert Drive,

Latham, NY 12110 and can be reached by telephone at (518) 608-4806.

We respectfully request that this matter be included on the Council's next available agenda for review and approval.

Thank you for your consideration of the enclosed.

Very truly yours,

A handwritten signature in cursive script that reads "Lucia Chiocchio".
