Re: Annual Report, CGS Section 16-50r

Dear Linda,

As required by the Connecticut General Statutes, Section 16-50r, please find enclosed the original and 20 copies of Manchester Methane's Annual Report.

Should you have any questions please contact me at the number above.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Posocco". The signature is stylized with large loops and a long horizontal stroke at the end.

Ryan Posocco  
Coordinator

ORIGINAL

1. A tabulation of estimate peak loads, resources and margins.

N/A

2. Data on use and peak loads for the five preceding calendar years.

|      |          |
|------|----------|
| 2011 | 6123.093 |
| 2012 | 5348.853 |
| 2013 | 4144.724 |
| 2014 | 3659.807 |
| 2015 | 2940.929 |

3. A list of generating facilities in service.

Manchester Methane LLC, located at 84 Wapping Road, East Windsor, CT., operates a landfill gas (LFG) collection and clean-up system with two 1.6 MW Caterpillar low NOx emissions engines.

4. A list of scheduled generating facilities for which the property has been acquired, for which certificates have been issued, and for which certificated applications have been filed.

None

5. A list of planned generating units at plant location for which property has been acquired.

None

6. A list of planned transmission lines on which proposed route reviews are being undertaken or for which certificate applications have been filed.

None

7. A description of steps taken to upgrade existing facilities.

None

8. For each private power producer having a facility generating more than one megawatt and from whom the person furnishing the report has purchased electricity during the preceding calendar year, a statement including the name, location, size and type of generating facility, the fuel consumed by the facility and the by-product of the consumption.
