Re: **Petition 784** - Petition of Plainfield Renewable Energy LLC for a Declaratory Ruling that No Certificate of Environmental Compatibility and Public Need Is Required for the Construction, Maintenance, and Operation of a 37.5 MW Wood Biomass Staged Gasification Generating Project in Plainfield, Connecticut

Dear Chairman Caruso:

Enclosed are an original and 20 copies of the pre-file testimony of Macauley Whiting, Jr. and Michael Holzman on behalf of Plainfield Renewable Energy LLC ("PRE"). Due to the bulk nature of Exhibit 1, PRE is providing three copies of the exhibit to the Council. An electronic copy of the pre-file testimony and Exhibit 1 are also being provided to the Council.

Please do not hesitate to call me should you have any questions concerning this filing.

Very truly yours,

  
Bruce L. McDermott
