TO: List of Participants

FROM: S. Derek Phelps, Executive Director

RE: **PETITION NO. 784MR** – Plainfield Renewable Energy, LLC's declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the proposed construction, maintenance, and operation of a 37.5 MW Wood Biomass Generating Project, Plainfield, Connecticut.

Pre-hearing Conference Amendment.

Consistent with the pre-hearing conference held July 28, 2008, at the Connecticut Siting Council's (Council) office, participants agreed to the following:

PRE would:

- provide notice of hearing to property owners located across the Quinebaug River and across Packer Road of the proposed water intake facility;
- effect notice of hearing to residents along the pipeline route;
- place signage at both the proposed power generation facility and water intake facility sites; and
- effect a newspaper advertisement.

Prior to the hearing a draft hearing program will be circulated among participants identifying order of presentation and cross-examination and lists of witnesses and exhibits.
