Re: Petition 784MR – Signs

Dear Chairman Caruso:

As agreed to at the pre-hearing conference, Plainfield Renewable Energy LLC (“PRE”) erected a sign yesterday, July 30, 2008, on the generating facility property and on the Man-Burch property announcing the Council’s upcoming hearing. See Exhibit A (photos of signs taken on July 30, 2008). However, at some point between 8:30 p.m. last night and 8:00 a.m. this morning, the sign on the Man-Burch property was torn down and tossed into the woods. A neighbor has taken the sign and placed it in a safe location until PRE can return to the site and re-erect the sign.

PRE will make another attempt at erecting the sign the next time they are in the Canterbury area. However, should the vandalizing of the PRE sign continue, PRE may decide to no longer pursue this approach to notifying the community of the upcoming hearing.

Very truly yours,

Bruce L. McDermott
