RE: **PETITION NO. 831** – Waterbury Generation LLC petition for a declaratory ruling no Certificate of Environmental Compatibility and Public Need is required for the construction of an electric generating facility and associated transmission line tap located at 725 Bank Street, Waterbury, Connecticut.

Dear Attorney Golden:

In response to your request of November 19, 2007, on December 13, 2007, the Connecticut Siting Council (Council) granted intervenor status in Petition No. 831 to the Connecticut Light & Power Company.

All filings submitted to the Council must consist of an original and 15 copies with the docket number, properly collated and paginated, and bound. In accordance with the State Solid Waste Management Plan, the Council is requesting that all filings be submitted on recyclable paper, primarily regular weight white office paper. Please avoid using heavy stock paper, colored paper, and metal or plastic binders and separators.

Additionally, parties and intervenors are required to serve all other parties and intervenors a copy of any material submitted in this docket, unless service is waived. Please advise us in writing if you are willing to waive service of documents. Enclosed for your reference is a copy of the current service list, dated December 20, 2007.

Copies of all Council documents filed to date in this proceeding are available for your review at the Council's office or on our website. You or your representative should inspect this material to ensure that you are aware of all scheduled proceedings and regulatory responsibilities. The applicant and other parties and intervenors will be notified of your participation and directed to forward to you a copy of all filings made to date in this proceeding. Please contact Carriann Mulcahy, if you require any further information regarding the Council's procedure.

Very truly yours,

S. Derek Phelps
Executive Director
