Dear Mayor Jarjura:

This firm represents Waterbury Generation LLC ("WatGen"). Today, WatGen submitted a Petition for Declaratory Ruling to the Connecticut Siting Council pursuant to the provisions of Sections 16-50k(a) and 16-243m of the Connecticut General Statutes to construct and operate a 96 megawatt combustion turbine power generating facility on property at 725 Bank Street and an associated transmission facility extending from the generating facility to The Connecticut Light and Power Company (CL&P) Baldwin Street Substation approximately 1.8 miles to the south.

I have enclosed a copy of the Siting Council Petition for your review. If you have any questions regarding the information contained in this Petition, please do not hesitate to contact me.

Sincerely,

Joey Lee Miranda
