Re: Waterside Power, LLC - Petition No.
Declaratory Ruling that No Certificate Necessary

Dear Mr. Phelps:

Enclosed on behalf of Waterside Power LLC, I hereby submit a Petition for a declaratory ruling that no certificate is necessary for the construction and operation of a permanent peaking facility at 17 Amelia Place, Stamford, CT and that there will be no adverse impact to the environment associated with the conversion of the existing temporary peaking facility at that location to a permanent peaking facility.

We will be providing copies of this filing to local and state officials who may be interested in this Petition.

If you have any concerns or questions regarding this filing, please feel free to contact me.

Sincerely,

John A. DeTore
