

STATE OF CONNECTICUT
CONNECTICUT SITING COUNCIL

Petition of BNE Energy Inc. for a
Declaratory Ruling for the Location,
Construction and Operation of a 3.2 MW
Wind Renewable Generating Project on
New Haven Road in Prospect, Connecticut

Docket/Petition No. 980

May 2, 2011

COMMENT CONCERNING CHAIRMAN STEIN'S
PARTICIPATION IN DELIBERATIONS

The Parties, John and Cheryl Lamontagne and Thomas and Ellen Satkunas would welcome Chairman Stein's participation in the deliberations and decision of the Docket / Petition 980 provided that language in the Participation Memorandum dated April 21, 2011, "Chairman Stein intends to participate in the deliberations and vote **for** the above referenced proceeding..." expresses the intent to participate in the deliberations and vote **on** the above referenced proceeding. In the event that the language conveys the idea that Chairman Stein has formulated final judgments on the merits of this case prior to the final finding of facts and deliberations and other doings of the Connecticut Siting Council including their final deliberation and vote, then the undersigned parties would concur that he should not be a party to any further doings in this Docket.

ARGUMENT

This is an important case of first impression and the undersigned Parties are desirous of the most serious deliberations of the full Council.

Respectfully Submitted,

JOHN LAMONTAGNE and CHERYL LAMONTAGNE
THOMAS SATKUNAS and ELLEN SATKUNAS
