Hartford, CT 06103

RE: **PETITION NO. 984** - BNE Energy, Inc. petition for a declaratory ruling that no Certificate of Environmental Compatibility and Public Need is required for the construction, maintenance, and operation of a 4.8 MW Wind Renewable Generating facility located on Winsted-Norfolk Road (Route 44), Colebrook, Connecticut. - **D&M Plan.**

Dear Attorney Hoffman:

Section 16-50j-60(d) of the Regulations of Connecticut State Agencies, entitled, "Timing of plan" states: "The d&m plan shall be submitted to the council in one or more sections, and the council shall approve, modify, or disapprove each section within 45 days after receipt of it..."

The current deadline for the Council to approve, modify or disapprove the above mentioned Development & Management (D&M) Plan is December 5, 2011. Due to the complex nature of this project and the volume of material contained in the D&M Plan, the Connecticut Siting Council (Council) will need additional time to review the D&M Plan. The Council hereby requests a 30-day extension of the decision deadline for the Petition No. 984 D&M Plan for Wind Colebrook North until January 4, 2012.

We thank you in advance for your timely response to this matter.

Sincerely,

Linda Roberts
Executive Director

LR/CDM
