July 13, 2011

**AMENDED NOTICE OF INTERVENTION AS A PARTY -
KRISTIN M. MOW AND BENJAMIN C. MOW**

Kristin M. Mow and Benjamin C. Mow hereby have intervened in this matter by intervention notice submitted as of record in the above-reference administrative proceeding on March 3, 2011. On March 28, 2011 the Connecticut Siting Council granted said CEPA intervenor status to the Mows. Pursuant to Conn. General Statutes §§ 22a-19 and 22a-20 the Mows hereby amend said intervention for procedural and statutory consistency:

1. The Mows are Connecticut residents, owners of real property affected by the above-referenced petition; they have been granted party status in this proceeding.

2. The Mows are authorized to intervene as a party in this proceeding upon the filing of a verified pleading pursuant to Conn. General Statutes § 22a-19(a), which provides, in relevant part,

In any administrative, licensing or other proceeding, and in any judicial review thereof made available by law, the Attorney General, any political subdivision of the state, any instrumentality or agency of the state or of a political subdivision thereof, any person, partnership, corporation, association, organization or other legal entity may intervene as a party on the filing of a verified pleading asserting that the proceeding or action for judicial review involves conduct which has, or which is reasonably likely to have, the effect of unreasonably polluting, impairing or destroying the public trust in the air, water or other natural resources of the state.

3. The Mows are also authorized to intervene in this proceeding pursuant to provisions of Conn. General Statutes § 19a-20, which provides, "Any person entitled to maintain an action under said sections may intervene as a party in all such procedures."
