Lt. Governor Nancy Wyman
State Capitol
210 Capitol Avenue
Hartford, Connecticut 06106

Dear Lt. Governor Wyman,

The Connecticut State Employees' Campaign (CSEC) Committee and I are pleased to share with you the 2012 Final Report outlining the results of last fall's campaign. The contributions received from thousands of generous state employees and retirees generated nearly \$1.4 million for more than 700 charitable organizations.

We are most appreciative of the overwhelming support that you personally gave to the campaign. Your endorsement and participation in the 2012 kick-off event in Bushnell Park, and the Commissioner/Union meeting, renewed interest and support of the campaign. In comparing contributions from the 2012 campaign to that of the prior year's campaign, there were numerous state agencies that reported significant increases. Their results can be reviewed on pages 11-14 of this report.

Your leadership and commitment was instrumental in the success of the campaign. We extend our sincerest thanks to you for chairing the 2012 campaign.

We would also like to acknowledge the support and dedication that was given by state agency coordinators and their committees, as well as the 16 loaned employees who volunteered to assist the campaign in 11 different regions of the state.

The CSEC committee and I would also like to recognize and thank our donors -- 5,845 state employees and retirees -- for their generosity and support. The continued support that the campaign receives year after year is greatly appreciated.

Sincerely,

Timothy K. Newton

2012 Campaign Highlights

- The campaign committee is appreciative of Lt. Governor Nancy Wyman for serving as the 2012 Statewide Campaign Chair. The Lt. Governor's support in promoting the campaign was invaluable.
- Some 5,629 state employees and 205 retirees contributed nearly \$1.4 million to the 2012 campaign. Hundreds of charitable organizations will benefit from these very generous contributions. Our sincerest thanks are extended to all contributors.
- Twelve charity representatives engaged state employees in interactive activities at the 2012 Statewide Campaign kick-off, held October 25th in Bushnell Park, Hartford. While the annual soccer match between the State Comptroller's Office and the Department of Energy & Environmental Protection was being played, state employees from nearby offices had a chance to speak with Lt. Governor Nancy Wyman, the 2012 Statewide Campaign Chair, who spent some time mingling with those in attendance. All attendees were entertained by a search and retrieval exercise performed by two members of the CT State Police canine unit. At the conclusion of this exercise a member of the Department of Correction's canine unit demonstrated how quickly he could find a cell phone hidden in a person's coat pocket.
- A special thank you to Lt. Governor Nancy Wyman for hosting a Commissioner and Union breakfast at the State Capitol on November 16th. Roughly 35 people, including several Commissioners, Deputy Commissioners, Executive Directors and other state agency and union representatives received helpful tips about the campaign, including promotional ideas and the importance of volunteers. Following the Lt. Governor's remarks attendees shared campaign successes.
- Congratulations, and thank you, to Department of Correction employees whose donations totaled \$149,876, or 21% more than their 2011 campaign total. As a result of their donations, the Correction Department earned the #1 spot in raising the most contributions by any state agency. Significant increases in contributions were reported by the following Correctional Institutions: Bridgeport, Carl Robinson, Cheshire, Enfield, Garner, MacDougall-Walker and York. Our sincerest gratitude is extended to Osborn Correctional Institution employees for capturing the highest contribution and highest participation honors. Fifty-six percent of Osborn employees contributed \$25,753 towards the Correction Department's total dollars raised. The campaign is appreciative of the support received by coordinator, Captain Tim Newton, Commissioner Leo Arnone and Deputy Commissioners Cheryl Cepelak and James Dzurenda.

2012 Campaign Highlights *continued...*

- Employees from the Department of Motor Vehicles held several fundraisers, including a special cupcake sale, generating nearly \$17,000 in total contributions. Department employees were able to beat their 2010 and 2011 contribution totals. A special thank you is extended to Commissioner Melody Currey and all DMV employees for their support of the 2012 campaign.
- The campaign committee would like to express its appreciation to Burt Gold and Claudia Helfgott. A state retiree, Gold was first appointed to the committee in 1997. In late 2012 he tendered his resignation so he could enjoy his retirement and spend more time traveling. A Department of Banking employee, Claudia Helfgott joined the committee in 2006. In January 2013 she resigned from the committee due to her retirement from state service. We thank Burt and Claudia for their commitment to the campaign committee. Happy trails to them both!
- The campaign committee would like to thank the following for their continued support: Mary Morelli, Office of the State Comptroller for maintaining the campaign's web site; Curtis Hurley, State Comptroller's Office for his assistance with inputting payroll deduction pledges; and Ken Mosher, from the BEST unit, Department of Administrative Services for updating the campaign's on line pledge form.
- Our sincerest thanks to CT Valley Hospital in Middletown for hosting the annual CSEC recognition luncheon in celebration of the successful 2011 campaign.
- Volunteers played a vital role in the 2012 campaign. Thank you to all the agency campaign coordinators and loaned employees who volunteered their time. Your commitment and dedication was priceless.
- We extend our thanks to Three Rivers Community College in Norwich for printing the campaign's 2012 poster and 2011 Final Report; the Dept. of Correction for printing the reporting pledge envelope and the Dept. of Labor for their assistance in producing the state retiree solicitation form.
- CSEC campaign staff attended an employee expo on October 11th at the University of Connecticut to discuss the campaign with UCONN employees and other attendees. The CSEC table received many visitors, some of whom offered positive comments and stories about their affiliation with a participating charitable organization, while others had specific questions about the campaign. The expo offered the campaign a lot of good exposure.

Campaign Issue & Strategy for 2013

CAMPAIGN VISIBILITY & SUPPORT

ISSUE:

The campaign made some great strides under the leadership of its 2012 Statewide Campaign Chair, Lt. Governor Nancy Wyman. With the Lt. Governor's guidance and support a statewide campaign kick-off event in Hartford, as well as a Commissioner/Union breakfast, renewed interest in the campaign. In addition, campaign staff visited with several State Agency Commissioners to gain their support of the annual charitable giving fundraising drive. As a result of the events and meetings with Commissioners, quite a few state agencies saw significant increases in their contribution totals. It is apparent in those state offices that had higher donation amounts than last year that more employees were reached during the 2012 campaign. However, we are aware that some employees may not be receiving campaign materials or emails, either because of their work location or work schedule.

STRATEGY:

It is our hope to carry over the momentum from the 2012 campaign into the July start date for the 2013 fundraising effort. To kick things off, a family oriented statewide campaign event has been proposed for this summer. Visits with State Agency Commissioners will also continue. The campaign committee and staff are looking to gain higher visibility for the 2013 fundraising drive through email messages, posters and speaking opportunities for charity representatives. The 2013 Statewide Campaign Chair will also be asked to assist the campaign committee and staff by reaching out to all state employees through email messages and interactions with the Chief Executive Officer from each state agency. In addition, campaign coordinators and loaned employees will serve as key messengers and promoters of the 2013 campaign. The campaign committee and staff feel very fortunate to work with this supportive group of individuals.
