Saba Product Taxonomy

Acknowledged Leadership from Industry Analysts

“Organizations that want to build on their Saba Learning Suite deployments should consider Saba as an option for additional EPM processes. In addition, multinational organizations that want **strong performance and succession management solutions** should consider Saba.” – **Gartner EPM Magic Quadrant**

“Saba has **the most global** capability, the most successful implementations at large, global enterprises and **the most flexible** range of deployment options in the business.” – **Bersin TM Systems Study**

“All these developments underscore Saba’s growing clout as the **mover and shaker of the elearning segment**, while paving the way for **widespread adoptions of its complete HCM** solutions among some of the most sophisticated technology users.” - **Worldwide HCM Applications 2008 Vendor Shares**

“Saba is on the **cutting edge** with its efforts in informal learning and knowledge centers.”

Forrester Wave:™ “Enterprise Learning Management Suites

Saba Multiplies the Effectiveness of All of Your People Management Initiatives

Initiative	Saba: People Multiplier Effect
Workforce Readiness	<p>“We are no longer able to train adequate numbers, given our personnel & resource shortages, unless we begin to employ ‘force multipliers’ of knowledge & skill like AFILE (powered by Saba).”</p> <p>Major Denis Forest, Canadian Air Force</p>
Compliance & Funding	<p>“We have to comply with laws and regulations, especially around child welfare, and provide specific metrics for legal compliance and budget accountability. Saba was the key to complying with these regulations.”</p> <p>Adesh Siddhu, Santa Clara County</p>
Cut Costs	<p>““Since installing Saba , the US Internal Revenue Service has saved over \$205 million in travel expenses associated with the training of our employees.”</p> <p>Mitch Chazan, IRS</p>
Better Public Service	<p>“We wanted to change the culture of the City of Houston to one of competency & productivity vs. the way sometimes the public sector is viewed. Saba helps us drive this type of cultural change.”</p> <p>Brent Powell, City of Houston</p>

Saba Customer Community

Saba Global Summit:

Annual, global summit is a key forum for Saba's customers to obtain valuable information and training on the latest Saba People Management products and services.
