

CTDN January Meeting

Interactive Presentation Made Easy™

Tired of typical PowerPoint? Try presentation techniques that are truly dynamic, interactive, and visual using *Relational Presentation*. With a few simple changes, and a different mindset, your performances can have the flexibility of a café conversation. Describe the talks you give, and we'll suggest ways of getting started...

gettingstarted@aspirecommunications.com

See Relational Presentation in action ...

-  What is Relational Presentation? 4 minutes
-  What's in it for me? 5 minutes
-  How do I get started? 2 minutes
