A message from your co-chairs

Hello everyone!

We are mid-way through our program year and we wanted to bring you up-to-date on all of Connecticut Training and Development Network's (CTDN's) activities.

Train-the-Trainer

We are excited to tell you that our Train-the-Trainer program is up and running with 2 Modules completed - both classes were full and participants have given us great feedback on the program! Our thanks to everyone who developed, designed, or facilitated these sessions.

Module 3, "Adult Learning Principles", is scheduled for January 26th at the Connecticut Department of Labor in Wethersfield. Rosie Rodriguez and Jan Schuyler will be facilitating that session.

But, we can't stop there - **we need your help!** We'd love to offer Modules 4 and 5 in the spring as well, and need help with development and facilitation - The titles of these are:

Module 4	Curriculum Design	3 days	18 hours
Module 5	Instruction Methods/Presentation Skills	2 days	12 hours

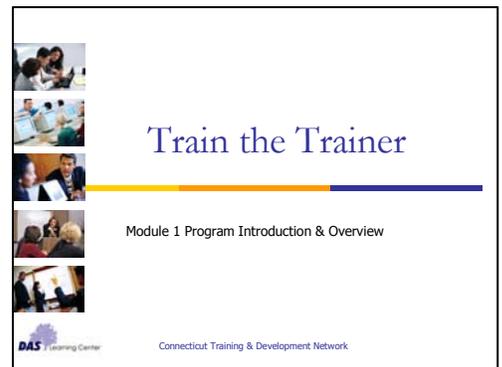

If you have interest and / or expertise in these areas please contact us; and if you have curriculum that you can share, send it along. Jan will be heading up the Curriculum Design module and Cheryl will be taking the lead on the Instruction Methods/Presentation Skills Module.

CTDN Website, Upcoming Conference, Great Monthly Programs

In other news, our CTDN web site is up and running - a big thank you to Christine Coughlin at DOL. Our conference program committee is busy planning our one-day conference scheduled for June 8, 2007 - mark you calendars and stay tuned for details. Our monthly programs have been terrific - great topics and great attendance.

Succession Planning

Last but not least, we have been thrilled to be your co-chairs for the past year and a half, and as we look to our term ending in June, we put the call out for those interested in becoming Chairs of the wonderful organization - it's a lot of fun and a great way to meet people across the state!

Best Wishes and Thanks for Your Support

We wish you a wonderful New Year, filled with family and friends, good health and good fortune as we look to complete our goals for 2006-2007. Thank you for your support of CTDN!
