Develop Lesson Plan Templates to Speed Development

For Teaching Factual Information:
1. Present the information – in chunks
2. Emphasize logical links
3. Provide mnemonics to facilitate recall
4. Require trainees to process the information
5. Provide appropriate feedback
6. Review the information
7. Repeat the information in different configurations
8. Summarize the information

For Teaching Concepts:
1. Present clear examples
2. Present matched examples that show the opposite process to emphasize critical features of the concept
3. Present divergent examples to emphasize variable features
4. Require trainees to discriminate among new examples and non-examples
5. Provide appropriate feedback
6. Test for the ability to generalize and to discriminate

For Teaching Procedures:
1. Provide an overview of the entire procedure
2. Demonstrate each step and identify its critical elements
3. Coach trainees as they practice each step
4. Require trainees to demonstrate the mastery of each step
5. Integrate all steps
6. Provide systematic practice toward fluent application

- No sidebar conversations
- Etc.

(Insert your notes on ground rules.)

Slide 11

Learning Objectives

- At the end of this session, you will be able to:

(Insert your notes the learning objectives for the course.)
Skills Check

(Insert your notes on how you will be evaluating whether trainees learned or not.)

Relevance

(Insert here your explanation why trainees should want to learn what you will be teaching. You must be able to answer this question, “What’s In It For Me?” for your participants.)

Activity 1

Time:

(Insert your notes on the Activities you will be using – including necessary directions.)
Slide 15

Content/Lecture

Time:

(Insert your content bullets with appropriate facilitator notes in this area.)

Slide 16

Pre-Test

Time:

(Insert your pre-test directions if you elect to administer a pretest. Distribute your pretest.)

Slide 17

Demonstration

Time:

(Insert your demonstration notes that coordinate with the slide.)
Slide 18

Practice Exercise

(Insert your practice exercise notes and instructions here which will coordinate with the slide.)

Slide 19

Debrief/Feedback

(Insert your debrief/feedback notes here. Repeat the following slides as necessary: Content/Lecture, Demonstration, Practice, Debrief/Feedback, as necessary.)

Slide 20

Key Learning Points

(At the end of the training, summarize key learning points on the slide and insert your notes here.)
Next Steps

Time:

(If there are any assignments or next steps insert that information on this slide and include your notes here.)

Level 2 Evaluation

Time:

(Insert your instructions and appropriate slides on your end-of-course Kirkpatrick level 2 evaluation [learning] if you elect to administer a posttest.)

Bibliography

Make sure the resources you used are included at the end of the presentation and included in the learner handouts. (See example on next slide.)

Training Quotations

1. “I hear and I forget. I see and I remember. I do and I understand.” (Confucius).

2. “If you tell me, I will listen. If you show me, I will see. If you let me experience, I will learn.” (Lao Tzu)

3. The brain will absorb what the bottom will endure.” (Mark Twain).

4. “You cannot play symphonies until you have first mastered the notes.” (Edward L. Kramer).

5. “It is what we are that gets across, not what we try to teach.” (Unknown).

7. “I would rather entertain people in the hope that they will learn, than teach people in the hope that they will be entertained.” (Walt Disney).

8. “No one is without knowledge except he who asks no questions.” (African Proverb).

9. “It’s not the same to talk of bulls as to be in the bullring.” (Spanish Proverb).

10. “If you are just going to cover something, we might as well cover it with dirt because it is dead already.” (Madeleine Hunter).

11. “On your worst days, be good. On your best days, be great. And on every other day, get better.” (Carmen Mariano).

12. “The biggest enemy to learning is the talking teacher.” (John Holt)

13. “I never teach my pupils; I only provide conditions in which they can learn.” (Albert Einstein)
14. "It is the supreme art of the teacher to awaken joy in creating expression and knowledge." (Albert Einstein)

15. "He who asks is a fool for five minutes; but he who does not ask remains a fool forever." (Chinese Proverb)

16. "You cannot create experience. You must undergo it." (Albert Camus)

17. "An investment in knowledge always pays the best interest." (Ben Franklin)

18. "Education is not filling a bucket but lighting a fire." (William Butler Yeats)

19. "Live as if you were to die tomorrow. Learn as if you were to live forever." (Ghandi)

20. "Live to learn and you will learn to live." (Portuguese Proverb)

21. "The wisest mind has something yet to learn." (George Santayana)

22. "Learning has not taken place until behavior has changed." (Bob Pike)

23. "Ability is what you’re capable of doing. Motivation determines what you can do. Attitude determines how well you do it." (Lou Holtz)

24. "The biggest risk is not taking one." (Unknown)

25. "Great results cannot be achieved at once; and we must be satisfied to advance in life as we walk, step by step." (Samuel Smiles)

26. "The fool thinks he can teach; the wise knows he can learn." (Edgar C. Wallace)

28. "Knowing and not doing are equal to not knowing at all." (Unknown)
29. “Without involvement, there is no commitment. Mark it down, asterisk it, circle it, underline it. No involvement, no commitment.” (Stephen Covey)

30. “If you think that something small cannot make a difference, try going to sleep with a mosquito in the room.” (African Proverb)

31. “Personally, I am always ready to learn, although I do not always like being taught.” (Winston Churchill)

32. “There is a better way to do it, find it.” (Thomas Edison)

33. “Curiosity is the wick in the candle of learning.” (Unknown)

34. “Successful adaptation to the environment requires that an organism be capable of learning.” (Richard Restak, MD, The Brain)

35. “Tell someone there are 300 billion stars in the universe and they’ll believe you. Tell them a bench has wet paint on it and they’ll have to touch it to be sure. Tell them. Show them. Involve them. Let them try it themselves.” (Unknown)

36. “Training is a process, not an event.” (Bob Pike)

37. “Train for tomorrow, not today – for tomorrow will be yesterday, and that will be too late.” (Unknown)

38. “Write the songs, and let the performers take the bows.” (Unknown)

39. “The beautiful thing about learning is that no one can take it away from you.” (BB King)

40. “When we quit learning as learners ourselves, we get bored with our work. Learning keeps the Training fresh.” (Unknown)
