### General

Answer: The cities were identified by the Legislature.

4. Question: Can a school district apply for the funding?

Answer: Yes

5. Question: If approached by more than one agency may a school district collaborate on more than one application?

Answer: Yes

6. Question: May the scope of services outlined in the RFP be expanded to include families that attend a different school but may live within the same neighborhood?

Answer: No.

7. Question: If a family's children attend different schools, can the services reach out beyond the elementary school of a younger sibling and into a middle school where an older sibling attends?

Answer: Yes.

8. Question: How many proposals will be accepted all together?

Answer: CTF will award contracts to a maximum of four organizations.

9. Question: Is there a budget allocation for this RFP?

Answer: Each award will have a maximum amount of \$186,000 per year for each of two years.

10. Question: Can you explain how CTF arrived at the proposal budget? Where it pertains to staffing is of great importance -- supporting one full-time Clinical Supervisor and three full-time Home Visitors.

Answer: The funding level is comparable to other programs supported by the Children's Trust Fund with similar staffing requirements.

11. Question: With reference to page 3 of the RFP, Demonstrated Commitment to Affirmative Action, is there a form that states the proposer will develop and implement an apprenticeship program or do proposers need to include a statement agreeing to develop an apprenticeship program?

Answer: No

21. Question: Is there a list available of agencies currently receiving funding through this program?

Answer: Center City Churches, in Hartford, is currently receiving funding through this program.

### FSC Policies and Procedures

22. Question: What is the staffing plan requirement?

Answer: The program must be staffed with one full-time Program Manager/Clinical Supervisor and three full-time Home Visitors who are dedicated solely to the FSC program. The plan requires four full-time staff -- not several part-time staff.

23. Question: If the proposer already has two home visitors, can the contractor fund only one through this award and use the remaining funds for other purposes?

Answer: Yes, as long as the proposer is able to employ three full-time home visitors who are dedicated solely to the FSC program. The two home visitors currently on staff would be considered in-kind contributions to the FSC program.

24. Question: Do three Home Visitors need to be hired immediately or can hiring be conducted as the program grows?

Answer: Three Home Visitors should be hired immediately.

25. Question: If the school population does not warrant the need for three full-time Home Visitors, can the proposal be scaled down?

Answer: No.

26. Question: What is the average or recommended salary range for the Program Manager/Clinical Supervisor and Home Visitor positions?

Answer: The actual salary for a Clinical Supervisor for other programs supported by the Children's Trust Fund ranges from \$18.70 to \$34.45 per hour with an average of \$22.96 per hour. The salary for a Home Visitor for other programs supported by the Children's Trust Fund ranges from \$12.07 to \$20.56 per hour with an average of \$16.06 per hour.

27. Question: Will the annual budget cover the cost of the minimum four positions?

Answer: Yes.

28. Question: What is considered full time -- 30 hours versus 35, 37.5, 40 hours?

Answer: 35-40 hours per week

29. Question: Because the award amount is so low, can a contractor utilize the same staffing with fewer hours?

Answer: The minimum number of hours per week that would be considered full-time is 35.

30. Question: What do you envision as the number and role of the volunteers?

Answer: The role of the volunteers is to assist with parenting workshops and parent/child activities to support the efforts of the FSC program.

31. Is DCF involvement with the family a disqualifier?

Answer: Yes.

32. Question: Page 10 of the FSC manual indicates, "Each site is required to establish a warm line..." What is the definition of a "warm line?"

Answer: A warm line is a telephone line that families can call after business hours. The purpose of the warm line is to support families who need help addressing problems before they develop into a crisis.

33. Question: Is the contractor required to provide that service [the warm line] or can an advisory board member provide that service?

Answer: The contractor is required to provide that service.

34. Question: Can Infoline serve as the warm line?

Answer: The proposer may approach Infoline to provide that service.

35. Question: What is the minimum and maximum number of families expected to participate in each FSC program?

Answer: Home Visitors must schedule from 12 to 15 home visits per week or 48 to 60 home visits per month. The number of families on the home visitor's caseload may range from 12 families they visit each week to 25 families they visit less frequently.

36. Question: Would CTF consider budgetary proposals that include expenses for items and products that would foster safer and healthier home environments, for example, safety gates and safety latches for cabinets?

Answer: Yes.

37. Question: Will there be statewide meetings for FSC staff? Has the frequency been determined?

Answer: Yes; CTF anticipates meetings would be held monthly.

38. Question: Will FSC sites receive a designated Technical Assistant from CTF?

Answer: Yes

### Evaluation and Research

39. Question: Will the contractors be required to use the standardized evaluation tools (i.e., pre/post parent surveys) and evaluator as utilized in the Hartford-based FSC program?

Answer: Yes

40. Question: Will funding for evaluation be taken off the top from the allocated funds?

Answer: No.

### Training Curriculum and Supplies

41. Question: With reference to page 14 of the FSC manual, Required Training for Program Supervisors and Required Training for Home Visitors, who provides the training?

Answer: It varies based on the training. Largely the training will be provided by CTF, the site or trainer related to a specific training program.

42. Question: What is the length of the initial training?

Answer: The initial training is the FSC in Action. The length of the training is five (5) days for Home Visitors and three (3) days for Clinical Supervisors.

43. Question: With reference to page 22 of the RFP, Section 6, Proposed Costs, does the cost of the required training for program supervisors and home visitors need to be reflected in the budget/proposed cost?

Answer: Yes

44. Question: Page 4 of the FSC manual indicates, "The program staff members use approved curriculum." Does the cost of purchasing the curriculum need to be reflected in the budget/proposed cost?

Answer: Yes

45. Question: Can you estimate the costs per year to the contractor of training curricula and evaluation?

Answer: The program evaluator will be contracted separately by CTF. There is no cost to the contractor.

Training curricula and curricula for working with families will need to be purchased in the first year and supplemented in future years. CTF anticipates it will take a few months for all staff positions to be filled. The funds not spent on staff during this time can be used to offset one-time expenses including curriculum, office equipment, and other items.

46. Question: Why PAT training since PAT focuses on 0 to 5 year olds and this award focuses on 5 to 11 year olds?

Answer: PAT training is not required for the FSC program.

**REQUEST FOR PROPOSALS (RFP)  
BY  
THE STATE OF CONNECTICUT  
CHILDREN'S TRUST FUND  
FAMILY SCHOOL CONNECTION**

**BACKGROUND**

The State of Connecticut, Children's Trust Fund, is seeking proposals to expand the Family School Connection (FSC) program to Middletown, New Haven, Norwich, and Windham. FSC focuses on helping parents and guardians of elementary school aged children (roughly 5 – 11). Through FSC, trained visitors come to the home of a child demonstrating high indicators of risk for abuse or neglect. The home visitors work with families to help them provide safe, healthy home environments and warm, responsive care for children.

In connection with this program, CTF is seeking to identify public and private non-profit organizations with administrative offices in the proposed service area. Successful proposers will be responsible for implementing FSC services in conjunction with one elementary school located in one of the designated communities.

CTF will establish one FSC program each in Middletown, New Haven, Norwich, and Windham.

The FSC program is authorized in accordance with Section 17a-50 of the Connecticut General Statutes. The requested services will be awarded through a competitive procurement process and funded by State dollars.

**SCOPE OF SERVICES**

- Establish a FSC program within the city of Middletown, New Haven, Norwich or Windham.
- Provide FSC services in the designated service area, in accordance with the FSC program's policies, procedures, and requirements.
- Recruit, train, and supervise volunteers to assist with parenting workshops and parent/child activities to support the efforts of the FSC program.
- Comply with all research and data collection requirements of the FSC program.
- Participate in the FSC collaborative network and enter into the prescribed agreement with the designated elementary school.
- Establish an advisory board, comprised of representatives of community agencies or other members of the community within the new service area.
- Complete all pre-service and in-service training requirements of the FSC program.

## **CONTRACTOR QUALIFICATIONS**

Eligible proposers are public or private non-profit provider organizations. Preference will be given to proposers that are based in or operated by an elementary school, or can demonstrate through a Memorandum of Agreement that they will work in conjunction with an elementary school during the contract period. Proposers must have (1) experience and demonstrated success working with the target population; (2) sufficient managerial and administrative support staff to implement the required FSC services in the proposed service area including the ability to meet data submission requirements; (3) the ability to work cooperatively and collaboratively with other agencies; (4) the capacity to provide their staff with access to training; and (5) experience recruiting, training, and supervising volunteers.

At time of contract, successful proposers will be required to show evidence of incorporation in the State of Connecticut, having obtained a Certificate of Authority from the Secretary of State, or other authorization to conduct business in the State of Connecticut in order to enter into a contract with the Children's Trust Fund for these purposes.

## **FUNDING**

CTF will award contracts to a maximum of four (4) organizations to provide services to residents in Middletown, New Haven, Norwich, and Windham. Each award will have a maximum amount of \$372,000 for a two-year period.

## **CONTRACT PERIOD**

CTF anticipates that successful proposers will commence work on or about July 1, 2008 and continue until June 30, 2010. Ongoing funding is contingent upon the continued availability of funds to the Children's Trust Fund for this program and the performance of the awarded contractors.

## **SUBMISSION DEADLINE**

The due date for proposals is 12:00 noon, on March 19, 2008. Proposals must be received in the required packaging and labeling at the Children's Trust Fund, 410 Capitol Avenue, Hartford, CT 06106 (ATTN: Jacqueline Lewis) not later than the deadline. Late submissions will not be accepted. Faxed or e-mailed proposals will not be accepted.

No additions or changes to the original proposal will be allowed after submittal. While changes are not permitted, clarification of proposals may be required by CTF at the proposer's sole cost and expense.

Successful proposers will be notified on or around April 28, 2008.

### RFP CONDITIONS

All proposers must be willing to adhere to the following conditions and must positively state this in the proposal by completing the **Agreements and Assurances form**.

- A. The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to or operation of its programs, services or activities.
- B. All proposals in response to this RFP are to be the sole property of the State. Proposers are encouraged **NOT** to include in their proposals any information that is proprietary. All materials associated with this procurement process are subject to the terms of State laws defining freedom of information and privacy and all rules, regulations, and interpretations resulting from those laws. The Connecticut Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen unless the content of the document falls within certain categories of exemption. An example of an exemption is a "trade secret" as defined by Connecticut General Statutes Section 1-210(b)(5)(A). Confidential information must be separated and isolated from other material in the proposal, labeled **CONFIDENTIAL**, and enclosed in a separate envelope.

If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, by specifically and clearly marking said documentation as **CONFIDENTIAL**, the State will endeavor to keep said information confidential to the extent permitted by law. The State, however, has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. As set forth below, the proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the State or any of its staff have any liability for disclosure of documents or information in the possession of the State, which the State or such staff believes to be required pursuant to the FOIA or other requirements of law.

**IMPORTANT NOTE:** If the information is not readily available to the public from other sources and the proposer submitting the information requests confidentiality, then the information generally is considered to be "given in confidence." A convincing explanation

and rationale sufficient to justify each exemption from release consistent with Section 1-210(b) of the Connecticut General Statutes shall be prepared by the proposer and shall accompany the proposal. The rationale and explanation shall be simply stated in terms of the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and the proposer shall state the reasons why it believes the materials are legally exempt from release pursuant to Section 1-210(b) of the Connecticut General Statutes.

- C. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of the RFP is to be the sole property of CTF.
- D. Timing and sequence of events resulting from this RFP will ultimately be determined by CTF.
- E. The proposer's proposal shall remain valid for a period of 180 days after the closing date for the submission and may be extended beyond that time by mutual agreement.
- F. All proposed costs must be fixed through the period of the agreement. No cost submissions that are contingent on a State action will be accepted.
- G. CTF may amend or cancel this RFP prior to the due date and time, if CTF deems it to be necessary, appropriate or otherwise in the best interests of CTF. All amendments to this RFP will be posted on the State Contracting Portal found at [www.das.state.ct.us/Purchase/Portal/Portal\\_Home.asp](http://www.das.state.ct.us/Purchase/Portal/Portal_Home.asp). Proposers may also access the "RFPs & Contracting" link on the State of Connecticut Children's Trust Fund's web site at [www.ct.gov/ctf](http://www.ct.gov/ctf) to view the posted amendments. Failure to adapt a proposal in accordance with the instructions contained in the amendments may result in a proposal not being considered.
- H. The personnel identified in the proposer's response to this RFP will be the persons actually assigned to the project. Any additions, deletions or changes in personnel from the proposal during the course of the project must be approved by CTF with the exception of personnel who have terminated employment. Replacements for personnel who have terminated employment are subject to approval by CTF. At its discretion CTF may require the removal and replacement of any of the proposer's personnel who do not perform adequately regardless of whether they were previously approved by CTF.
- I. Any costs and expenses incurred by proposers in preparing or submitting proposals are the sole responsibility of the proposer.
- J. A proposer must be prepared to present evidence of experience, ability, service facilities, and financial standing necessary to satisfactorily meet the requirements set forth or implied in the proposal.
- K. No additions or changes to the original proposal will be allowed after submission. While changes are not permitted clarification of proposals may be required by CTF at the proposer's sole cost and expense.
- L. Proposers may be asked to give demonstrations, interviews, presentations or further explanation to the RFP Screening Committee.

- M. The proposer represents and warrants that the proposal is not made in connection with any other proposer and is in all respects fair and without collusion or fraud. The proposer further represents and warrants that the proposer did not participate in any part of the RFP development process, had no knowledge of the specific contents of the RFP prior to its issuance, and that no agent, representative or employee of CTF participated directly in the proposer's proposal preparation.
- N. All responses to the RFP must conform to instruction. Failure to include any required signatures, provide the required number of copies, meet deadlines, answer all questions, follow the required format or failure to comply with any other requirements of this RFP may be considered appropriate cause for rejection of the response.
- O. The proposer accepts CTF's standard contract language (Parts I & II) for the purchase of service (POS). The standard contract is available on the Children's Trust Fund's web site at [www.ct.gov/ctf](http://www.ct.gov/ctf) under the "RFPs and Contracting" link.
- P. The proposer will not be required to furnish a performance bond upon award of the contract.
- Q. This RFP is not an offer and neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of CTF or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and CTF and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. CTF shall assume no liability for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by CTF and by the Attorney General's Office. The contract may be amended only by means of a written instrument signed by CTF, the contractor, and the Attorney General's Office.
- R. Pursuant to Connecticut General Statutes § 4a-81, bids or proposals for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a **Consulting Agreement Affidavit** (Form 5) attesting to whether any consulting agreement has been entered into in connection with the bid or proposal. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a State agency, State or public official or State employee was expected or made. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the general statutes as of the date such affidavit is submitted in accordance with the provisions of Connecticut General Statutes § 4a-81.

NOTE: Upon contract execution, proposers are required to complete and submit a **Gift and Campaign Contribution Certification** (Form 1). A **Gift and Campaign Contribution Certification** (Form 1) is also required for each year that the contract is in place. More

information about these requirements and forms is available at [www.ct.gov/opm](http://www.ct.gov/opm), under the "Ethics Affidavits" link.

- S. With regard to a State contract as defined in P.A. 07-1 having a value in a calendar year of \$50,000 or more or a combination or series of such agreements or contracts having a value of \$100,000 or more, the authorized signatory to this submission in response to the State's solicitation expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising prospective State contractors of State campaign contribution and solicitation prohibitions, and will inform its principals of the contents of the notice. See Attachment 1 [SEEC Form 11].
- T. Pursuant to Connecticut General Statutes Sections 4a-60(a)(1) and 4a-60a(a)(1), as amended by Public Act 07-245 and Sections 9 and 10 of Public Act 07-142, every Contractor is required to provide the State with documentation in the form of a company or corporate policy adopted by resolution of the board of directors, shareholders, managers, members or other governing body of such contractor to support the Contractor's nondiscrimination agreements and warranties which are included in such Contractor's contract pursuant to said statutes. Copies of two "nondiscrimination certification" forms (one for businesses and one for individuals) that will satisfy these requirements may be found at [www.ct.gov/opm](http://www.ct.gov/opm), under the "Nondiscrimination Certification" link. The applicable certification form must be signed by an authorized signatory of the Contractor (or, in the case of an individual contractor, by the individual) and submitted to the awarding State agency at the time of contract execution.

### **RIGHTS RESERVED TO CTF**

CTF reserves the right to award in part, to reject any and all proposals in whole or in part for misrepresentation or if the proposer is in default of any prior State contract, or if the proposal limits or modifies any of the terms and conditions and/or specifications of the RFP. CTF also reserves the right to waive technical defect, irregularities, and omissions if, in its judgment, the best interest of CTF will be served.

CTF reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of CTF shall not constitute a breach of contract on the part of CTF since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between CTF and the proposer.

#### RATING INSTRUCTIONS

A Screening Committee comprised of CTF staff or other designees as deemed appropriate will evaluate qualified proposals submitted in response to this RFP and recommend finalists for consideration. The Screening Committee shall evaluate all proposals that meet the Minimum Submission Requirements.

Members of the Screening Committee must read the following documents in their entirety before rating proposals:

- Rating instructions
- Request for Proposals (and referenced documents)
- Family School Connection Policy Manual

Committee members must direct any questions about the rating instructions, RFP (and referenced documents) or Family School Connection Policy Manual to the Chair of the Screening Committee *prior to completing the rating sheet*.

A two-phase process will be used to review the proposals. A description of each step and instructions follows:

#### **Phase 1: Minimum Submission Requirements**

The first step of the review is to determine whether the proposal meets the minimum submission requirements. Any proposal that does not meet these requirements may be disqualified and eliminated from further review. The Screening Committee must specify in writing the reason(s) for disqualifying a proposal, noting the specific requirements that were not met.

NOTE: The Chair may instruct the Official Agency Contact to contact any proposer who submitted a deficient proposal and allow the proposer one (1) business day to correct the deficiency. Failure to correct the deficiency within the one (1) business day allowed shall disqualify a proposal from further review.

#### **Phase 2: Quality**

Proposals that meet the minimum submission requirements will then be reviewed for quality. The quality review includes the demonstrated commitment to affirmative action, organizational profile, statement of work, personnel resources, and proposed cost.

See the RFP for the requirements of each section of the proposal. Rate each item in each section using the following scale:

- 0 = not rated (information is missing or incomplete)
- 1 = unsatisfactory
- 2 = fair
- 3 = satisfactory
- 4 = good
- 5 = excellent

Once all of the committee members have completed their individual rating sheets, committee members may meet to discuss their individual ratings. Members may present their rationale for a particular rating

or ask other members to explain or clarify the reasons for their ratings. At the end of the discussion, committee members may amend their original rating sheets to reflect any changes they would like to make. Committee members may, but are not required to change their ratings as a result of the discussion.

For each proposal, the subtotals given by the individual committee members for each section must be added together and averaged [that is, sum of individual subtotals / number of committee members]. Any proposal with an average rating of two (2) or less in any section is not eligible for further consideration.

The weights for each section are then applied to each proposal. For each proposal, the weighted ratings of all subsections are then totaled. This total is the final rating of the proposal. The proposals must be rank ordered based on their final ratings.

NOTE: The weights will be determined by CTF's Executive Director prior to issuing the RFP and will be kept confidential until this point in the process, that is, when weights are applied to the proposals.

NOTE: Following the rating of proposals, the Screening Committee may invite proposers to meetings for the purpose of clarifying the contents of proposals. The introduction of supplemental or new information is not permitted. After holding any such meetings, Committee members may review their individual ratings of the proposals and may make any changes they deem necessary.

CAMPAIGN CONTRIBUTION AND SOLICITATION BAN**

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined below):

**Campaign Contribution and Solicitation Ban**

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract* or *state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

**Duty to Inform**

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

**Penalties for Violations**

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

**Civil penalties**--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

**Criminal penalties**—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

**Contract Consequences**

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
