

# How to Wash Your Hands

Turn on the water. Use warm water.

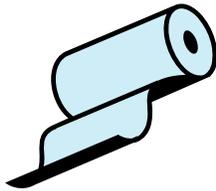

Wet your hands and use soap.

Rub your hands together so that the water and soap make lather. Scrub your hands and sing the ABCs. When you are done singing, you can stop scrubbing.

Rinse your hands with water.

Dry your hands with a paper towel. Use the paper towel to turn off the water and open the bathroom door.

Throw the paper towel in the trash.
