Since October 2005, Connecticut's Operation Gift Cards program has distributed 2,925 "Thank You" kits, including \$58,500 in PX (military store) gift certificates, to wounded and injured troops at Walter Reed and Bethesda Military Hospitals in Washington, DC.

On the last visit, representatives from two units of the Military Order of the Purple Heart and the Disabled American Veterans and a representative from employees of Sikorsky Aircraft Corporation plant in Stratford, visited wounded soldiers and personally thanked them for their service to their country and for their sacrifice for freedom. Each patient was presented with three "Thank You" kits (each from a different unit) containing a custom-designed thank you card with a group picture of the sponsoring chapter or post, a \$20 gift certificate for the military store (\$60 total in gift certificates), and flyers about programs the sponsoring service organization has developed that may be of interest to the patients. Operation Gift Cards also delivers items that are on the "Wish List" on the right.

Twenty-three veterans units of the American Legion, American Veterans (AMVETS), Disabled American Veterans, Marine Corps League, Military Order of the Purple Heart, and Veterans of Foreign Wars have participated. The goal is to have a different group of veterans units **collectively** purchase each month between \$3,500 and \$4,000 in gift certificates in order to present all visited wounded patients in Walter Reed and Bethesda hospitals with at least three "Thank You" kits containing between \$60-\$100 in gift certificates.
