Leaders of AMVETS

Since October 2005, the Operation Gift Cards' 52 monthly visits have presented 7,880 Thank You Kits which contained \$157,600 in military department store gift certificates to our wounded troops. An additional \$83,500 in other gift certificates and special group product donations (Girl Scout cookies, corporate gift certificates etc.) have been delivered to the Soldier Family Assistance Center, the Fisher Houses, the Mologne House, the Navy Lodge, the Red Cross, and the Bethesda Casualty Affairs Office, along with tens of thousands of dollars worth items on the "wish list" (listed on the right) for both the wounded troops and their families.

On the last visit, representatives from the AMVETS, the Milford Knights of Columbus, the Vets Who Care Committee, and Ken Bundy and family visited wounded soldiers and personally thanked them for their service to their country and for their sacrifice for freedom. Each patient was presented with 3 "Thank You" kits containing a custom-designed thank you card with a picture of the co-sponsor's members, a \$20 gift certificate for the military store (\$60 total in gift certificates), and, if appropriate, flyers about programs the co-sponsor has developed that may be of interest to the patients.

Forty-one units and individuals have co-sponsored Operation Gift Cards. The program goal is to have a different group of co-sponsors collectively purchase, each month, between \$3,000 and \$4,000 in gift certificates in order to present all visited wounded patients in Walter Reed and Bethesda hospitals with at least three "Thank You" kits containing between \$60-\$120 in gift certificates.

To participate in Operation Gift Cards or to make a corporate or personal donation, contact Al Meadows (203) 929-3357 (e-mail: al.meadows@snet.net). Or, read the Operation Gift Cards summary page or the Operation Gift Cards press releases (all can be downloaded from the Web site: ctveterans.org). Operation Gift Cards will be an ongoing project; check our Web site for future events and our progress reports.
