**Billing/DVA Cost of Care Information**

Cost of care is determined by the facility/level of care program the veteran is admitted to: Residential Facility or Health Care Center.

**Residential Facility:**

The cost of care is determined by the length of stay. However, in extreme financial hardship, the Department of Veterans’ Affairs will waive the cost of care for veterans in need with proper documentation/ verification of assets and service connectivity.

<b>LEVEL:</b>	<b>Length of Stay</b>	<b>Monthly Billing Rate</b>
<b>1</b>	<b>0 to 3 months</b>	<b>\$0.00</b>
<b>2</b>	<b>4 to 36 months (3 years)</b>	<b>\$200.00</b>
<b>3</b>	<b>&gt;37 months</b>	<b>\$300.00*</b>

*\*subject to periodic review at the Commissioner’s discretion. The proposed revision for level 3 is effective January 1, 2014.*

**Health Care Center:**

The cost of care is determined by the *current* allowable Medicaid rate.

- According to Connecticut General Statute (CGS) 27-108: If unable to pay healthcare costs, the veteran is required to have a completed and filed “pending” Medicaid (a/k/a Title XIX) application. The financially responsible party is required to pay charges assessed by DVA until such time the veteran is eligible for Medicaid. Once Medicaid eligibility is determined, Medicaid assumes the primary responsibility for paying the veteran’s cost of care; however, the veteran remains responsible for contributing their “applied income” towards the cost of care as computed by Department of Social Services.
- *Or* if the veteran has a 70% or more Service Connected Disability; provided eligibility criteria is met; the veteran may opt to have the Federal Department of Veterans’ Affairs assume the primary responsibility for paying the veteran’s cost of care to the State DVA.

**Respite Care:**

Respite care is a program to give a primary care giver a temporary break (“respite”).

There is no fee for this program; however the care is limited to a minimum of five (5) days to a maximum of twenty-eight (28) days in any twelve (12) month period. As per CGS 27-102l(d)108 (J): Should the care giver be unable or unwilling to *resume* the role of primary care giver, then a discharge placement plan must be presented, other than admission to a DVA departmental program.

Instructions: **Please complete form in its entirety.** If no Income or Assets are indicated, please fill in each area with a zero. In addition, **please initial each section; sign and date at the end of this form.** According to Connecticut General Statue 27-108 such veterans who are able to pay in whole or in part for services are required to pay their cost of care based on their ability to pay. If unable to pay, those entering the hospital are required to have a completed and filed "pending" Medicaid (Title XIX) application. The veteran and/or responsible party are required to provide full disclosure of all financial information in accordance with CGS 27-117. If there is a pending Medicaid application, the veteran and/or responsible party are required to continue paying the charges assessed by the DVA pursuant to CGS 27-108 until such time as The Department of Social Services (DSS) determines that the veteran is eligible for assistance. Once Medicaid eligibility is determined, Medicaid assumes the primary responsibility for paying the veteran's care at the hospital; however, the veteran remains responsible for contributing his/her "applied income" towards the cost of care as computed by DSS pursuant to its administration of the Medicaid program.

I certify that the information provided on this form is complete and accurate to the best of my knowledge. I understand that I am required to provide this information completely and accurately according to the Connecticut General Statutes (CGS) 27-117. I also understand that I am responsible for paying for the cost of my care at the Department of Veterans’ Affairs (DVA), and that I will be assessed monthly charges based on my ability to pay as per CGS 27-108 and DVA regulations. I understand that paying the assessed charges may result in the depletion of my resources. If I reside in the Health Care Center, I understand that I am required to apply for the Title XIX Medicaid benefits upon request, and to take all steps reasonably necessary to obtain Medicaid eligibility. If I apply for Title XIX benefits, I understand that I am responsible to continue paying for my portion of the cost of care as assessed by the Department of Veterans’ Affairs pursuant to CGS 27-108 until such time as Title XIX is granted. If Medicaid eligibility is determined by the Department of Social Services, I understand that I am then responsible for contributing my “applied income” towards the cost of care, as computed by the Department of Social Services.
