
**Parent(s)
Rights**

Parent(s) have a right to:

- visit on a regular basis in a setting conducive to positive interaction
- participate in the development and administrative review of treatment plans, including an expression of comments and objections
- appeal any decision made by the Department through the Department's review or fair hearing process
- receive all information germane to their child's case in a language they understand
- all legal rights and protection that apply to any child placed in DCF care.

**DCF
Responsibilities**

DCF will provide to each parent whose child is in Voluntary Placement a:

- name, address and telephone number of the child's placement
 - name, address and telephone number of the child's Social Worker
 - written notice of any change in the visitation schedule and the reasons for the change
 - written notice of any change in the placement and the reasons for the change.
-
