Sec. 20-417aa-1. Limited swimming pool contractor licenses

(a) Limited swimming pool maintenance and repair contractor's license (SP-1).

The holder of this license may perform all plumbing, heating and electrical work necessary to service, modify or repair any swimming pool, hot tub, spa or similar recreational or therapeutic equipment, where such work commences at an outlet, receptacle, connection, back flow preventor, or fuel supply pipe previously installed by a person holding the proper license. The requirements to qualify for this license exam shall be two (2) years as a properly licensed journeyman or equivalent experience and training.

(b) Limited swimming pool maintenance and repair journeyman's license (SP-2).

The holder of this license may perform all plumbing, heating and electrical work necessary to service, modify or repair any swimming pool, hot tub, spa or similar recreational or therapeutic equipment, where such work commences at an outlet, receptacle, connection, back flow preventor, or fuel supply pipe previously installed by a person holding the proper license and only while the licensee is in the employ of a plumbing contractor licensed for such work. The requirements to qualify for this license exam shall be the completion of a bona fide apprenticeship program or equivalent experience and training.
