Physicians must create an account with the DAS Business Network to access the online certification system. Use the following link to register for a free account: [https://www.biznet.ct.gov/dcp-mmrp](https://www.biznet.ct.gov/dcp-mmrp)

Please make sure to follow the prompts and instructions during the registration process to ensure successful account creation and verification.

After completing this one-time registration process and verifying your account via e-mail, you can log in and begin registering patients.

### PHYSICIAN PROCESS FOR PATIENT CERTIFICATION

#### Log In
- **https://www.biznet.ct.gov/dcp-mmrp**
- Login using the e-mail address and password you established during the DAS Business Network registration process.
- Select the “I am a Physician” option and the system will prompt you to provide identifying information:
  - DEA Number
  - Last 4 digits of your social security number
- Review the information provided in the Physician Profile webpage to ensure your information is correct.

#### Certify Your Patient
- Select “Add New Patient” to begin entering your patient’s information.
- Keep in mind:
  - Qualifying patient must be a Connecticut resident.
  - Qualifying patient must be at least eighteen (18) years of age or older.
- During the registration process, physicians are required to enter a valid patient’s e-mail address (preferred method).
- For patients without an e-mail address, the system allows a physician to create a temporary e-mail address and password for their patient.

#### Designate Caregiver for Your Patient (Optional)
- Based on the patient’s debilitating medical condition, the physician can authorize a caregiver, if needed.
- The Caregiver must:
  - Manage the well-being of a registered patient with respect to their palliative use of marijuana.
  - Be at least eighteen (18) years of age or older;
  - Not be the patient’s physician;
  - Be responsible for only one (1) patient unless there is a parental, guardianship, conservatorship or sibling relationship with each patient.
  - Be a parent, guardian or legal custodian where the adult patient lacks legal capacity.

Your patient is certified. Please remind your patient to complete their registration at: [https://www.biznet.ct.gov/dcp-mmrp](https://www.biznet.ct.gov/dcp-mmrp)
