Hartford CT 06145-2219

**WORKSHEET TO DETERMINE MAXIMUM ELIGIBLE COST OF
 PURCHASING A FACILITY OR SITE.**

DISTRICT NAME:	FACILITY NAME AND ADDRESS:	STATE PROJECT NUMBER: (FOR SDE USE ONLY)
CONTACT PERSON & TELEPHONE NUMBER		

This form must be completed and accompany the two appraisals when they are submitted to the School Facilities Unit.

The appraisal amounts must agree with the appraisals attached, and the purchase price must agree with the amount reported on form ED049 or on the most recently filed form ED049R.

Property Description: _____

1	Appraisal #1	\$	_____
2	Appraisal #2	\$	_____
3	Higher of Appraisals #1 and #2	\$	_____
4	Purchase Price	\$	_____
5	Lower of Lines 3 and 4	\$	_____
6	Maximum Eligible Cost (Line 5)	\$	_____

Maximum acreage reimbursable is based on the highest projected enrollment for the eight year period from the date of application divided by one hundred, plus the following:

- For elementary schools: 10 additional acres
- For middle schools: 15 additional acres
- For secondary schools: 20 additional acres.

If the acreage acquired exceeds the maximum acreage reimbursable, the eligible costs will be reduced proportionately in calculating the grant.
