Dear Mr. Bartoli:

I have reviewed your detailed revised breakdown. The detailed breakdown and the total proposed fixed fee still far exceeds the CA Fee allocated for the services within our Project Budget.

DPW has concluded our fee and scope discussion with your firm. DPW may negotiate with the second ranked firm or may chose another method of provided these services.

Therefore your firm's selection for this project is not longer valid and DPW will no longer count this particular project against the maximum number of contracts your firm may have with our agency.

Thank you for your efforts with regard to this project. If you have any question please don't hesitate to call.

Sincerely,

Ira Henowitz AIA, DPW
