

STATE BUILDING CODE INTERPRETATION NO. I-62-00

November 14, 2000

The following is offered in response to your letter to me dated September 15, 2000 in which you request official interpretations in response to the questions posed. Your questions both seek definitions of words found in referenced Connecticut General Statutes.

As I have mentioned before, I am not authorized to interpret the provisions of Connecticut General Statutes, and cannot therefore answer your questions.
