WIND LOAD ERRATA

Please make the following corrections to Appendix M, Basic Wind Speed, within the Connecticut version of the 2003 International Residential Code printed by the International Code Council:

1. Change the Town of Griswold to 110 from 100.
2. Change the Town of East Hartford to 90 from 110.
3. Change Norwalk to 100/110³ from 110/110³.
4. Change Stratford to 110 from 100.
