

**DEPARTMENT OF ADMISISTRATIVE SERVICES**  
**Office of School Construction Grants**

## **Instructions**

### **FORM SCG-049F**

### **FINAL GRANT APPLICATION FOR A SCHOOL BUILDING PROJECT**

Pursuant to C.G.S. 10-287(d), this form must be filed with the Office of School Construction Grants within 1 year from the date of final completion and acceptance of the building project by the district.

PAGE 1 of 2:

- Provide school district name, the name and address of facility where project has taken place and the project number assigned by the Office of School Construction Grants in the appropriate boxes.
- Enter the date the project was accepted as complete by the applicant district.
- Final Project Financing: Enter final detail of funding for the project.
- Final Project Costs: Enter final detail of the **Total Costs** of the project, including ineligible and limited eligible costs. Complete square footage, costs and seating capacity for auditorium seating area only if auditorium seating area costs were incurred for the project.

**Note that the total project costs must equal the total project financing.**

- Enter the total amount of ineligible project costs included in “Final Project Costs” and attach the project’s Ineligible Costs Worksheet with ‘Final Costs’ column completed.

PAGE 2 of 2:

- Detail for Bonds Issued: List the dates and amounts of all bond issues or short term notes which provided project funding. This information must be consistent with ED045 and ED045R forms submitted for applicable bond issues.
- Certifications must contain original signatures; photocopied or “FAX” copies will not be accepted.

Please contact the Office of School construction Grants at 860-713-6490 if you have any questions.
