Subject: **Recall of Nestle Nesquik Strawberry Powder**

Nestle USA has initiated a voluntary recall of two (2) production lots of Nestle Nesquik Strawberry Powder in 21.8 ounce packages. The recall was initiated because it was discovered that the product may contain small fragments of aluminum.

This product was distributed nationwide and likely to be received in Connecticut.

The product is identified as Nestle Nesquik Strawberry Powder in 21.8 ounce containers with production codes of 82255880 or 82265880 on the bottom of the containers with a best by date of August 2010. These are the only two production codes involved in the recall.

Please refer to the attached recall notice for specific product information. If you encounter any of the recalled product, advise the customer to return it to the place of purchase for a refund. If you have questions regarding this product recall, contact the Connecticut Department of Consumer Protection at 860/713-6160.
